ABOUT ME

I'm building my expertise across social media management, content planning, visual design, and paid campaign strategy. My goal is to create digital experiences that feel cohesive, look polished, and support business goals.

CORE SKILLS

Social Media Strategy • Content Calendars • Canva Design • Meta Ads Concepts • Branding • Content Creation • Competitor Research

SERVICES

Social Media Management	Platform planning, profile consistency, post scheduling, and audience-focused content ideas.
Content Calendar Planning	Monthly content plans with post themes, formats, captions, and content objectives.
Content & Graphic Design	On-brand social media creatives, promotional posts, and visual concepts.
Meta Ads Support	Campaign planning concepts, audience ideas, ad creative direction, and performance-focused thinking.
Branding & Visual Identity	Colour palettes, typography direction, and cohesive visual elements.
Content Strategy	Content pillars and campaign ideas designed to educate, engage, build trust, and encourage action.

SELECTED WORK

Add your real designs and project screenshots to these categories. They are placeholders until you add your own work.

01 Social Media Posts	Instagram and Facebook creative designs
02 Content Calendar	Monthly planning and post ideas
03 Branding Design	Colour, typography, and visual direction
04 Meta Ads Concepts	Ad creatives and campaign planning
05 Competitor Analysis	Social media research and insights
06 Campaign Ideas	Promotions, launches, and engagement

MY APPROACH

01 DISCOVER Understand the brand, audience, and goals.	02 PLAN Build a clear strategy and content direction.	03 CREATE Design purposeful, on-brand content.	04 IMPROVE Review performance and refine the approach.
